

## AMENDMENT AND RESPONSE

Serial No. 10/002,218

Title: MOUNTING CIRCUIT BOARDS IN HOUSINGS

PAGE 2

Attorney Docket No. 100.230US01

A1  
Concluded

3. (Amended) The apparatus of claim 1, wherein the at least one second block comprises a plurality of second blocks.

---

A2

5. (Amended) The apparatus of claim 1, wherein the surface of the at least one second block comprises a surface of a projection of the at least one second block, the projection having an aperture passing therethrough.

---

A3

7. (Amended) The apparatus of claim 5, wherein the aperture aligns with an aperture in the second circuit board and a fastener passes through the aperture in the second circuit board and into the aperture in the projection of the at least one second block to secure the second circuit board to the at least one second block.

---

8. (Amended) The apparatus of claim 1, wherein one or more of the at least one first and second blocks comprises a hole passing therethrough for receiving a fastener for securing at least one of the first and second blocks to the housing.
